The Stanford FSA Service Center will begin accepting nominating petitions for the upcoming FSA County Committee Election on June 15, 2011. County Committees administer Farm Programs at the local level and are responsible for establishing policy and the overall management of each FSA office.

2011 COC Election will be held in LAA's 1 and 4.

The Stanford FSA Committee consists of five members with each representing a particular area/community referred to as a Local Administrative Area (LAA). This year our election will take place in LAA 1 and 4.

LAA 1 includes all farmland in Lincoln County that is north of US Highway 78 and 150. This includes the communities of Hubble, Logantown, Preachersville, Moreland, Milledgeville, and parts of Hustonville, Crab Orchard and Stanford. This position is currently held by James R. Cooper.

LAA 4 includes all farmland in Garrard County that is north of US Highway 52. This includes the communities of Bryantsville, Buckeye, Bueana Vista, Davistown, Hackley, Teatersville, Three Forks, and areas of Hyattsville, Point Leavell, and Lancaster. This position is currently held by Billy C. Doolin, Jr.
